

Bild Group News

Bild has some good news. We have decided that Respond will join the Bild Group.

Respond is a charity that offers therapy to people with learning disabilities and autistic people, who have experienced trauma.

Bild and Respond have worked together for many years on projects.

This means that [Respond](#) will become the 4th Charity to join the Bild Group, alongside [Bild](#), the [Restraint Reduction Network](#) and [Association of Certified Training](#)

The move will happen later in 2024.

The boards of trustees have done lots of research and talking about this.

They think that this will be a good move for both charities so they can carry on standing up for the rights of people with learning disabilities and autistic people.

Respond will stay as an independent charity with its own board of trustees.

There will be no change to the service for Respond clients and no one will be made redundant.
